GENERAL ASSEMBLY
Fifty-first session
Agenda item 33
THE SITUATION IN THE MIDDLE EAST

SECURITY COUNCIL
Fifty-second year

Letter dated 7 July 1997 from the Chargé d'affaires a.i., of the Permanent Mission of Lebanon to the United Nations addressed to the Secretary-General

I have the honour to transmit to you a letter dated 30 June 1997 from His Excellency Mr. Fares Bouez, Minister for Foreign Affairs of Lebanon, on the subject of Lebanese detainees held in Israeli detention camps (see annex).

I have the honour to request that the present letter and its annex be circulated as an official document of the fifty-first session of the General Assembly and of the Security Council.

(Signed) Hicham HAMDAN
Deputy Permanent Representative
Chargé d'affaires, a.i.

ANNEX

Letter dated 30 June 1997 from the Minister for Foreign Affairs of Lebanon addressed to the Secretary-General

I would like to focus once again on a painful aspect of the continued Israeli occupation of Lebanese territory, in defiance of Security Council resolution 425 (1978).

I am referring to the tragedy of the 200 or so Lebanese in detention camps under Israeli control in south Lebanon and within Israel itself, many of whom have been held since 1984.

No legal charges have been brought against those detainees since their internment commenced. They continue to undergo the most inhumane and unbelievable torture and suffering at the hands of the Israeli occupying force and the militia it controls, in contravention of the Fourth Geneva Convention of 12 August 1949. This Convention, to which Israel is a party, offers protection to civilians living under occupation and proscribes arbitrary detention and torture. Furthermore, many detainees have been refused contact with their parents or with the representative of the International Committee of the Red Cross (ICRC).

I wish to appeal to you and, through you, to the competent bodies of the Organization of the United Nations, on the occasion of the remembrance day of the Lebanese detainees observed on 14 July in Lebanon, as well as by thousands of Lebanese and friends of Lebanon throughout the world, to exert your utmost endeavours to bring the ordeal of the detainees and the anguish of their loved ones to an end.

Khiam detention camp must be closed. This shameful episode of Israeli occupation in southern Lebanon must be concluded and the detainees allowed to return to their homes.

The release of a small number of detainees and the parental visits which were conceded by the occupying force are but mere palliatives, which have only served to highlight the appalling conditions of their detention and to make our demands for their release even more pressing in view of the first-hand reports brought back by the released detainees of the horrific conditions of internment in Khiam, and the systematic and barbaric torture practised behind its walls. Medical reports have corroborated the statements in those reports as did earlier medical examinations performed on those detainees who had been released earlier, some of whom died in hospital soon after their release.

The argument put forward by Israel, that the so-called South Lebanese Army militia is responsible for the detention camp of Khiam, is totally refuted and unacceptable and does not exonerate it from responsibility, since Israel is the occupying power in south Lebanon and is, in the final analysis, responsible in international law for acts committed on the territories it occupies. The South Lebanese Army militia is but a tool of the Israeli occupying force and would not exist without its support.

In view of the above, the Government of Lebanon, the Lebanese detainees, the heirs of the detainees who died in internment and those who disappeared or are still missing or unaccounted for invoke their right to claim damages and indemnities, and to take legal action against the Government of Israel, its military officers and agents for their internment, torture and suffering.

I am enclosing for your attention an up-to-date list of names of Lebanese still in Israeli prisons or interned in detention camps under Israeli occupation (see appendix), which was provided by the Follow-Up Committee for the support of the Lebanese detainees in Israeli prisons.

I take this opportunity to reiterate to you our thanks for all the efforts of the United Nations to obtain the release of the Lebanese detainees, and invite you to exert new efforts on their behalf.

(Signed) Fares BOUEZ
Minister for Foreign Affairs
